ADDITIONAL CHECK IN INFO

- The Welcome Center is operated 24/7 and the Grand Sandestin is limited hours – typically 7a -7p, but extended hours can be approved with advanced notice.
- Let your event manager know if you have a preferred check in location; Front desk will manage staffing to prepare for your attendee’s arrival.
- **IMPORTANT:** Sandestin Security has their own protocols when dealing with guests checking in through the gates. If a guest says:
 - “I’m checking in at the **Grand Sandestin**” – they will be given a pass and directions if needed, to the Grand Sandestin.
 - “I’m here to check in” - guests will be routed to the Welcome Center.
This is to prevent unfamiliar guests from getting lost on property.
- Resort transportation does run between the 2 check-in locations, but it is not a preferred method of travel for the check-in process.
