- > USGA Rules govern play except as modified by local rules
- > Men will play from the WHITE tees and ladies will play from the RED tee (this includes all competition holes).
 - > **Ladies Closest to the Pin Competitions (Hole #6, #16)**
 - > **Men's Closest to the Pin Competitions (Hole #6, #16)**
 - > **Ladies Longest Putt Competition (Hole #4)**
 - > **Men's Longest Putt Competition (Hole #17)**
- > All players will hit a tee shot, select the best shot and all play from that common place.
- > Please limit time searching for lost golf balls to one minute and keep up with the group in front of you. If the team falls behind, course assistants will give you one warning, if the problem persists your team will be forced to move back into position.
- > Players may improve the lie of the ball one-club length, but no closer, to the green; the ball must stay in the same condition. If the ball is in the rough, it must stay in the rough. If the ball is in the bunker, it must stay in the bunker.
- > Immediately following play, please turn your completed scorecard in to the Golf ProShop.
- > All ties will be determined by a scorecard play-off starting with the hardest handicapped hole.
- > *Reminder that the Spring Educational Forum kicks off at 1pm in the convention center: Indian Wells IJK.*

HAVE A GREAT DAY OF GOLF!
